More people are investing with this savings certificate than any we've ever offered.

There must be a reason . . .

The success of Golden Savings Certificates has many reasons — but the basic one is that most people have a thousand dollars or more in their family savings. And they can't find a safer, more profitable way to invest it than in these First Federal certificates.

For every thousand dollars you put in Golden Savings Certificate you know you'll earn $59.20 in just twelve months.

There is another important reason why so many people have switched to Golden Savings Certificates: because only First Federal has them. And more and more people in this part of Virginia are discovering how pleasant and convenient it is to save at First Federal—Why don't you?
